

18TH ANNUAL

INTERNATIONAL MEETING of the Institute of Human Virology

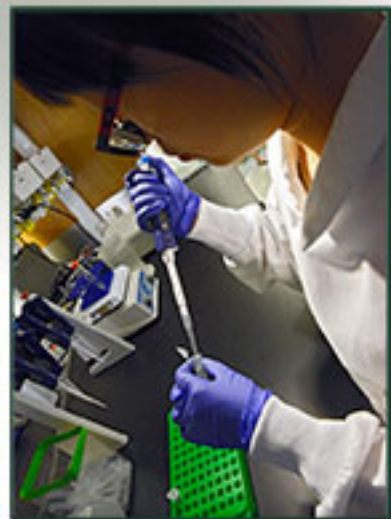

REGISTER TODAY

SEPTEMBER 19- 22, 2016

at the Four Seasons Hotel
Baltimore, MD

Join world experts as they discuss HIV "cure" research, emerging viruses, structural biology, extracellular vesicle research, immunology and viral pathogenesis research, and advances in clinical virology, including a special lecture by Nobel Laureate Harald zur Hausen. In addition to invited presentations, scientific abstract submissions will be accepted for poster presentation.

Dr. Robert C. Gallo, Director, Institute of Human Virology

Please visit WWW.IHV.ORG for more information on the program, registration and abstract submission.
